Instructions

Rules for your User ID

Your user ID must be at least 3 characters long, all lowercase, must contain at least 1 letter and may contain any of these special characters: at symbol (@), dash (-), period (.) or underscore (_).

Rules for your Password

Your password must be at least 8 characters long, must contain at least 1 letter, 1 number and 1 special character. Your current password and new password cannot be the same.

*Guía donada por amables ayudantes y profesores del departamento de Eléctrica :)

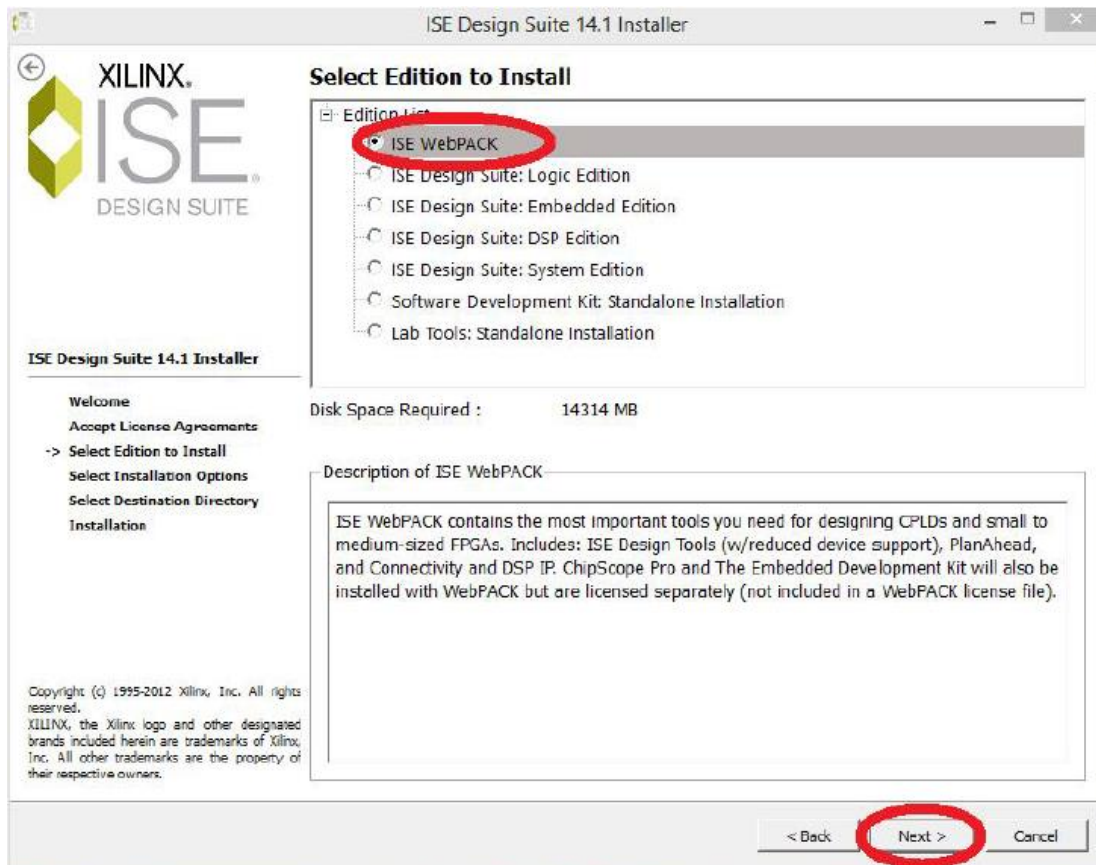

Luego llega un correo para activar la cuenta, y al volver a la página se debe completar el siguiente formulario y se iniciará la descarga:

The screenshot shows a web browser window with the URL <https://secure.xilinx.com/webreg/register.do?group=myprofile&>. The form contains the following fields:

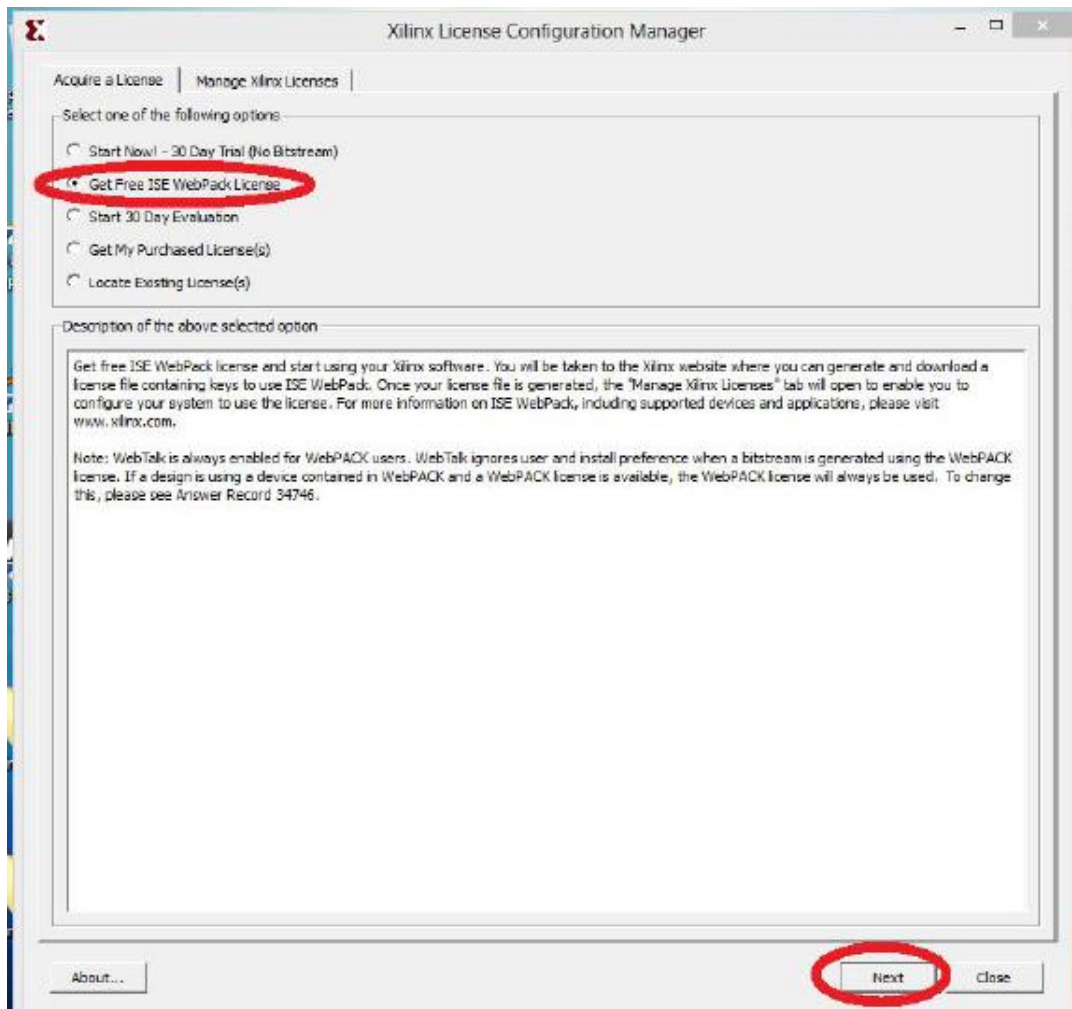

- First Name *
- Last Name *
- Corporate Email
- Enter new Corporate email address (with a note: "To change your email address please enter the new address in the field below and select Save Profile. Follow the instructions in the email you receive from us to confirm the change.")
- Change password (link)
- Company/Organization * (filled with "PUC")
- Address 1 *
- Address 2
- City * (filled with "Santiago")
- State/Province * (filled with "Santiago")
- Postal/Zip Code (filled with "8320000")
- Country * (filled with "Chile")
- Phone (include area code)
- Job Function * (filled with "Student")
- Primary Market * (filled with "Test & Measurement")

At the bottom of the form, there is a link for "Documentation and Design Advisory Alerts". The Windows taskbar at the bottom shows the time as 19:20 on 22-09-2015.

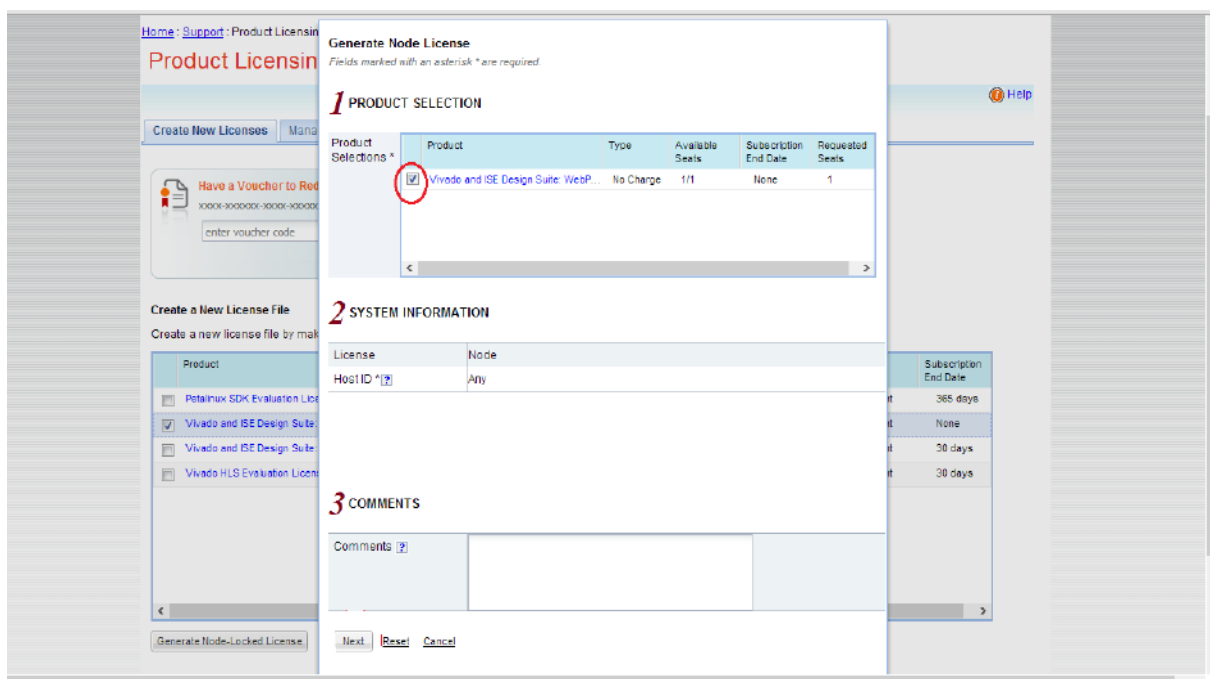

Una vez realizada la descarga, extraer los archivos y ejecutar “**xsetup.exe**”. En la ventana seleccionar WEBPACK:

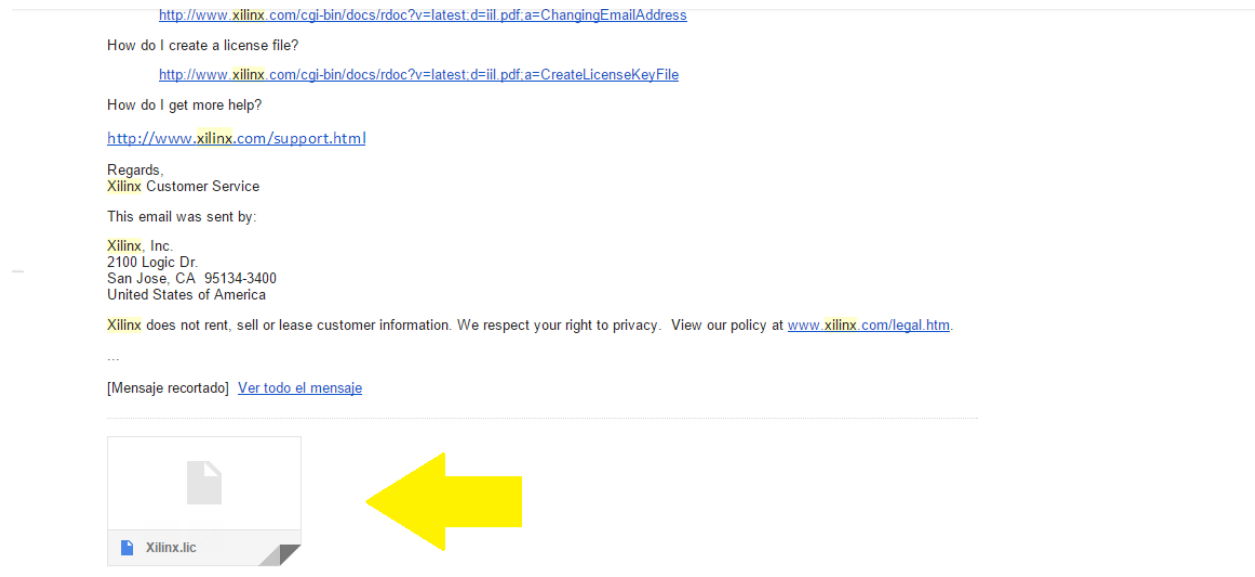

Luego de instalar se debe obtener la licencia, seleccionando:

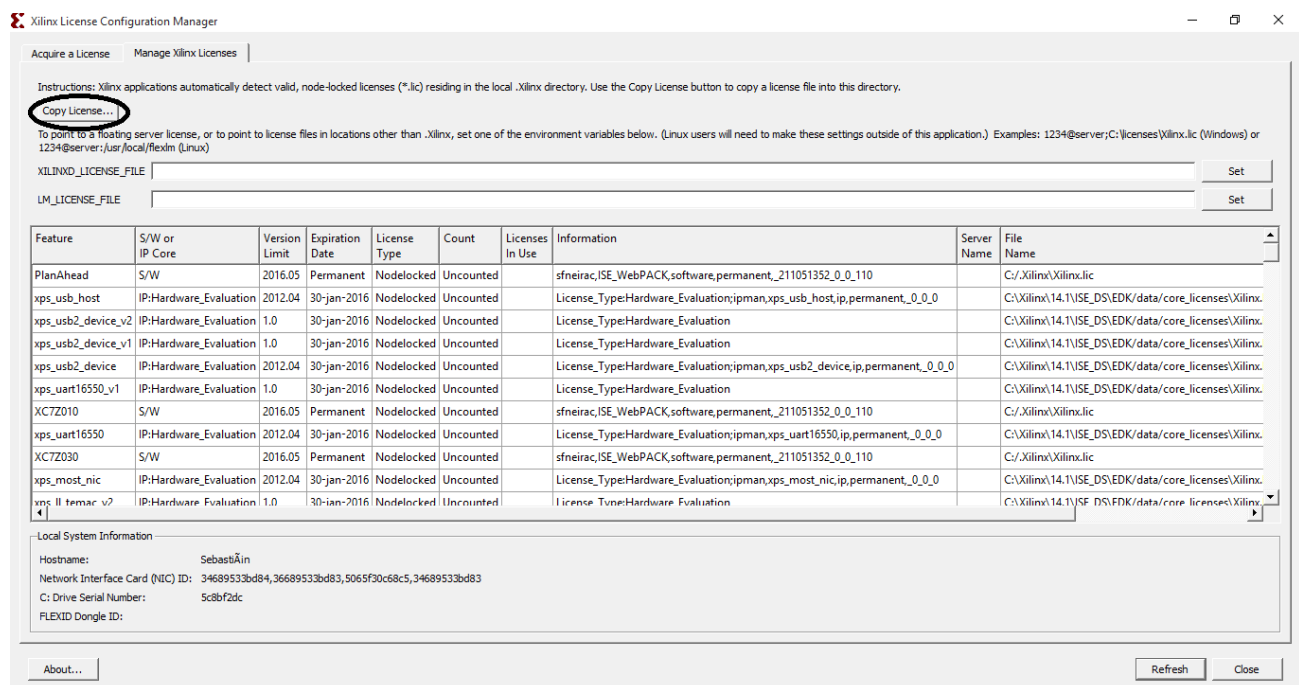

Se abrirá el navegador, acá se debe seleccionar la opción "Vivado and ISE Design Suite WebPack License" y hacer click en generar licencia, se mostrara una ventana de esta forma:

Apretar siguiente, y luego se enviará la licencia al correo inscrito en la cuenta:

En este punto se debe volver a la ventana del punto 7, o si se cerró buscar “Manage Xilinx License”, ahí seleccionar copy license y elegir la licencia que llegó al correo:

NOTA: Si se usa MAC, Parallels no permite programar en la tarjeta, VMware sin embargo permite utilizar de buena forma el programa.
